RE: PUBLIC NOTICE ON THE CONFIRMATION OF PRESIDENTIAL APPOINTEES BY THE 7TH COUNCIL OF COORDINATORS

Dear Hon. Flomo,

Greetings from the 7th Council of Coordinators (CoC) of the Liberian Student Union in China (LSUIC). We write to formally inform the you of the outcome of the public confirmation hearings conducted by this Honorable CoC on the presidential appointments of City Presidents, Coordinator and Committee members of the Union. We appreciate your understanding and support in this matter, as it is essential for maintaining the integrity and financial health of our union.

I. Constitutional Basis and Proceedings

In fulfillment of the constitutional mandate enshrined in **Article 15a of the 2026 Amended Constitution of LSUIC**, the 7th Council of Coordinators convened public confirmation hearings on **October 14, 2026** to review the appointments made by the Office of the National President. The proceedings were conducted with emphasis on transparency, accountability and fairness. Council members were given the opportunity to question the appointees, assess their submissions and review the financial documents made available to the Council before proceeding to a vote.

II. Reason for the Confirmation

Following an orderly and transparent voting process, the Council voted **YES** for all appointees who appeared before it and were found to be **in good standing**. The Council confirmed these appointees for the following reasons:

(a) Each appointee appeared before the Council as required by Article 15a and submitted to the full confirmation process.

(b) The financial records presented to the Council showed that each of them was in good financial standing with the Union, with no outstanding arrears.

(c) Confirming officials whose finances are sound protects the integrity and financial health of the Union and gives its members confidence in those who lead them.
