Net Available Cash		117,196.69	-

REPORT SUMMARY

REPORT NOTE

The Union concluded the fourth and final quarter of Fiscal Year 2025/2026 with an exceptionally strong financial position, characterized by substantial cash generation, a significant reduction in outstanding receivables, and the successful execution of key strategic initiatives. The quarter saw a high volume of activity, including the collection of various fundraising pledges, successful conference fee collections, and the preparation for the 20th Annual Conference. The year-end financial results demonstrate a remarkable improvement in the Union's overall liquidity and financial health compared to the start of the fiscal year.

Analysis of Financial Position (As of June 30th, 2026)

A. Current Period Performance (Cash Basis)

1. **Opening Cash Balance:** The Union began the Fourth Quarter with a cash balance of RMB 72,310.19 (converted from RMB 70,927.57 and USD \$200.38), carried forward from the Third Quarter.
2. **Total Available Cash (End of Fourth Quarter):** The Union held RMB 114,954.19 and USD 325.00 in cash and cash equivalents at the end of the quarter. This represents a significant increase from the opening balance, driven by an exceptionally strong income performance.
3. **Total Expenditure (Fourth Quarter):** No expenditures were recorded for the fourth quarter. This suggests the Union operated without net spending from its core cash reserves during the fourth quarter.
4. **Net Cash Flow from Operations:** The net cash generated from operating activities was RMB 42,644.00 and USD 325.00 (Total Available Cash - Opening Balance). This demonstrates the Union's sustained and significantly strengthened ability to generate positive cash flow from its core activities..
5. **Quarter-End Cash Balance:** After accounting for expenditures and converting USD to RMB at a rate of 6.9 ($325.00 * 6.9 = \text{RMB } 2,242.50$), the ending cash balance is RMB 117,196.69, which will be carried forward to the new fiscal year.

B. Statement of Financial Position & Receivables

The Union made substantial progress in reducing its outstanding receivables during the final quarter, significantly strengthening the balance sheet.

1. **Total Receivables:** The Union has **RMB 41,065.90** and **USD 350.00** in outstanding receivables as of June 30, 2026. This represents a significant decrease from the Third Quarter figure of RMB 48,811.90 and USD 500.00, signaling strong and effective collection efforts throughout the quarter..
2. **Unpaid Pledges:** Unpaid conference pledges have been reduced to **RMB 33,855.90** and **USD 350.00**. This balance has decreased from the Third Quarter, largely due to successful collections on pledges from the 19th Annual Conference (**RMB 2,630.00 collected**), the 16th Annual Conference (**RMB 1,000.00 collected**), and a portion of the 17th Annual Conference (**USD 200.00 collected**). However, a significant portion of aged pledges (2020-2023) remains outstanding.
3. **Outstanding Loans & Interest:** Uncollected principal and interest on member loans have been substantially reduced to RMB 5,210.00 (excluding unpaid fines). This is a notable decrease from RMB 7,320.00 in the Third Quarter, reflecting exceptional loan repayment activity during the quarter.
4. **Total Assets (Cash + Receivables):** The Union's total resources stand at **RMB 156,020.09** and **USD 675.00**. The improved cash position and significantly reduced receivables indicate a much healthier and more liquid balance sheet than in previous quarters. The proportion of illiquid assets (receivables) has fallen from 38.2% in the Third Quarter to 26.3% in the Fourth Quarter.

C. Analysis of Third Quarter Financial Performance

1. Income Performance

- **Total Fourth Quarter Income (Cash Basis):** **RMB 42,644.00** and **USD 325.00** (excluding the brought-forward balance).
- **Key Revenue Drivers:**
 - ✧ **Annual Conference Fees:** **RMB 12,865.00** (The largest revenue source this quarter, reflecting strong member participation)
 - ✧ **Current Dues & Arrears:** **RMB 16,110.00** (Continued strong and consistent member engagement, exceeding the third Quarter's **RMB 10,155.00**).
 - ✧ **Fundraising (Homecoming & 20th Conference):** **RMB 2,281.00** and **USD 125.00** (Successful new fundraising initiatives).

- ✧ **FLP Fundraiser: RMB 3,050.00** (Continued strong support for the FLP initiative).
- ✧ **Conference Jersey Sales: RMB 1,500.00.**
- ✧ **Loan Repayments: RMB 2,110.00** (Continued strong repayment performance).
- ✧ **Pledges Received (Conference): RMB 3,630.00 and USD 200.00**
- ✧ **Pledges Received (FLP & Past Conferences): RMB 5,635.00** (a significant new revenue stream this quarter)
- ✧ **Loan Repayments: RMB 3,520.00** (more than double the Second Quarter figure, indicating successful collection efforts)
- **Observation:** Income performance was exceptionally strong and diversified. The successful collection of conference fees, jersey sales, and the launch of new fundraising campaigns (Homecoming and 20th Conference) demonstrate the Union's ability to mobilize resources for strategic events and member engagement.

2. Expenditure Performance

- **Observation:** There was no expenditure in the Fourth Quarter. No operational or program disbursements were made during the quarter. The Union deliberately preserved liquidity ahead of significant year-end and conference obligations, resulting in full retention of the quarter's income

3. Receivables Movement

- **Q1 Receivables: RMB 49,625.90**
- **Q2 Receivables: RMB 51,225.90**
- **Q3 Receivables: RMB 48,811.90 and USD 500.00**
- **Q4 Receivables: RMB 41,065.90 and USD 350.00**
- **Change: Decrease of RMB 7,746.00 and USD 150.00**
- This positive movement was the result of a concerted and successful effort to collect on outstanding loans, conference pledges, and new fundraising initiatives. The most significant reduction came from the "Unpaid Loans & Loans Interests" category, which fell from **RMB 7,320.00** to **RMB 5,210.00**.

4. Conclusion and Forward Outlook

LSUIC has concluded Fiscal Year **2025/2026** with a significantly strengthened financial position, reflecting a year of strong operational performance and strategic financial

management. The Union successfully grew its cash reserves to **RMB 117,196.69** while simultaneously reducing its total receivables by over 15% from the Third Quarter. The strategic investments made this quarter in the 20th Annual Conference are expected to yield significant long-term benefits for the Union and its members.

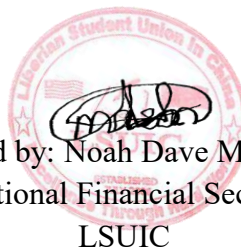

The substantial reduction in loan receivables and the successful collection of conference fees are testaments to the effectiveness of the collection strategies implemented. However, the aged pledge balances from past conferences (**2020-2023**) remain a persistent challenge, with minimal recovery in the Fourth Quarter. These should be a primary focus for the incoming leadership team.

Recommended Actions for Year-End and the New Fiscal Year:

- **Finalize the 20th Annual Conference:** Complete all logistical and financial planning and budgeting to ensure a successful and financially sustainable event.
- **Aged Pledge Collection Strategy:** With a new fiscal year beginning, the incoming National Leadership should prioritize the development and implementation of a targeted strategy to recover the remaining aged conference pledges from 2020-2023. This should include direct engagement with individual pledgers and alumni chapters.
- **Fiscal Year 2025/2026 Year-End Review:** Conduct a comprehensive review of the fiscal year's budget-to-actual performance. This analysis should inform the development of a realistic and robust budget for the Fiscal Year 2026/2027.
- **2026/2027 Budget Development:** Build on the successes of the Fiscal Year 2025/2026 to create a budget that supports the Union's strategic goals, incorporates lessons learned on receivables management, and allocates resources effectively for conferences and member programs.
- **Transition and Continuity:** Ensure a smooth financial transition to the new National Leadership team. This should include a thorough handover of financial records, outstanding receivables, and the new fiscal year budget.
- **Sustain Member Engagement:** Continue to invest in programs and activities that strengthen member engagement, as evidenced by the strong dues collection throughout the year.

The National Leadership is commended for its exemplary financial stewardship throughout the fiscal year. The Union's financial health is now on a solid footing, providing a strong foundation for the incoming leadership to build upon.
