EXECUTIVE SUMMARY

REPORT NOTE

The **Liberian Student Union In China (LSUIC)** has concluded Fiscal Year 2025/2026 with an exceptionally strong financial position, characterized by substantial cash generation, significant reduction in outstanding receivables, and the successful execution of key strategic initiatives. The year saw a high volume of activity, including successful conference fee collections, multiple fundraising campaigns, and preparation for the 20th Annual Conference.

The year-end financial results demonstrate a remarkable improvement in the Union's overall liquidity and financial health compared to the start of the fiscal year. The Union successfully grew its cash reserves while simultaneously reducing its total receivables. The strategic investments made in the 20th Annual Conference are expected to yield significant long-term benefits for the Union and its members.

ANALYSIS OF FINANCIAL POSITION

A. Cash Position & Liquidity

1. **Opening Cash Balance:** The Union began the fiscal year with a cash balance of **RMB 23,606.57** and **USD 2,700** carried forward from the **2024/2025** fiscal year.

7. AGED PLEDGE ANALYSIS

The following aged conference pledges remain outstanding and represent a critical concern:

Conference	Year	Outstanding Balance	Priority Level
17th Annual Conference	2023	RMB 15,001.00	Critical
16th Annual Conference	2022	RMB 7,584.90	Critical
15th Annual Conference	2021	RMB 1,000.00	High
14th Annual Conference	2020	RMB 1,200.00	High
19th Annual Conference	2025	RMB 6,390.00	Medium-High

Conference	Year	Outstanding Balance	Priority Level
18th Annual Conference	2024	RMB 250.00 + USD 100.00	Medium
FLP Fundraiser	2025-2026	USD 200.00	Medium
Homecoming Fundraiser	2025-2026	USD 50.00	Medium

Total Aged Pledges: RMB 31,425.90 + USD 350.00

Observation: The aged pledge balances from past conferences (2020-2023) remain a persistent challenge. The 17th Annual Conference pledges alone represent 39.6% of all outstanding receivables. These should be a primary focus for the incoming leadership team.

8. MEMBERSHIP & COMPLIANCE ANALYSIS

A. Members in Good Standing

Quarter	Good Standing	% Growth
Q1	13	-
Q2	22	+69.2%
Q3	36	+63.6%
Q4	213	+491.7%

Observation: The number of members in good standing has grown dramatically throughout the year, from 13 in Q1 to 213 in Q4. This represents a 1,538% increase and indicates significantly improved member engagement, compliance with dues payment, and effective leadership communication. This is a highly positive indicator of the Union's health and the effectiveness of its leadership.

9. CONCLUSION AND FORWARD OUTLOOK

LSUIC has concluded Fiscal Year 2025/2026 with a remarkably strengthened financial position, reflecting a year of strong operational performance and strategic financial management. The Union successfully grew its cash reserves from RMB 23,606.57 & 2,700

USD to RMB 192,346.94 while simultaneously reducing its total receivables by 23.7%. The strategic investments made in the 20th Annual Conference are expected to yield significant long-term benefits for the Union and its members.

The substantial reduction in loan receivables and the successful collection of conference fees are testaments to the effectiveness of the collection strategies implemented. The remarkable growth in members in good standing (from 13 to 213) indicates strong leadership and member engagement.

However, the aged pledge balances from past conferences (2020-2023) remain a persistent challenge, with minimal recovery in the fourth quarter. These should be a primary focus for the incoming leadership team.

11. FINAL REMARKS

The National Leadership of LSUIC is commended for its exemplary financial stewardship throughout Fiscal Year 2025/2026. The Union's financial health is now on a solid footing, providing a strong foundation for the incoming leadership to build upon.

The successful implementation of the new Financial Policy will be critical to maintaining the gains achieved this year. The incoming leadership is encouraged to prioritize the collection of aged pledges, continue the strong fiscal discipline demonstrated this year, and build on the momentum of the successfully growing membership base.

The Union's finances are no longer a concern they are now a strength. The challenge for the incoming leadership is to maintain this trajectory while addressing the remaining collection challenges.

A red circular stamp of the Liberian Student Union In China (LSUIC) is placed over the signature. The stamp contains the text "Liberian Student Union In China" and "LSUIC" in the center, with "ESTABLISHED JULY 9, 2005" at the bottom.
